## Heroes or Villains?

Every country has got its heroes and villains. But a hero in one country is often a villain in another. Here are some of England's famous heroes and villains.

### Boudicca (AD 60)

1

In AD 60, England wasn't one country. It was in many parts. Boudicca was the Queen of the Iceni (in the east of England). Boudicca and the Iceni fought against the Roman Empire and won many battles.

2

In AD 60, most of the island of Britain was part of the Roman Empire. The Romans controlled large areas of the country. However, thousands of Roman soldiers died because of Queen Boudicca's army. In the end she died in battle and the Romans conquered the eastern region of England.

### William Wallace (1272–1305)

3

William Wallace was a Scottish knight. He fought for Scottish independence from England. In 1995, Mel Gibson played William Wallace in the film *Braveheart*.

4

William Wallace fought against Edward I, the English King. He won many battles before the English executed him in 1305.

### Francis Drake (1540–1596)

5

Francis Drake sailed round the world and visited many countries. He took some of these countries for Britain. In 1588 he won a famous sea battle against Spanish ships.

6

In Spanish history books, Francis Drake is a pirate. He stole gold from Spanish ships and fought against Spain.
